

Autemo World Team Battle™ 2010 – finals time!

The Autemo World Team Battle™, perhaps not as big as the soccer world cup in terms of the number of spectators, but with 97 automotive design teams from 35 countries participating, the World Team Battle is the ultimate world cup of Automotive design.

The World Team Battle 2010 round 4 votes have been tallied, and we invite you to drool over the great Porsche 911 GT3 chops from round 4 on the next page! It is the quality you expect when the top 16 automotive design teams in the world battle it out for the eight quarter final spots.

The successful quarter finalists (and quarter final match-ups) are:

Belgium 	Poland 9 	Slovakia 	Switzerland 
vs	vs	vs	vs
Hungary 4 	Australia 	Netherlands 	Germany 

For those countries who didn't make it to the final stages of the soccer world cup, might this be their redemption?

On the following pages are some select works from each round of the Autemo World Team Battle™.
